Messrs. Stout. Mills & Temple.—Gents—We are using three of your American Turbine Water Wheels, which we have put in our Mill within the last eighteen months.—We consider them as being the best wheels in use. We can grind out forty barrels of flour per day to each wheel with five foot head and fall, which is four times the quantity we could make with any ordinary wheel. As for strength we have tested them thoroughly, having had them stopped several times by hard pieces of wood getting in them, but never breaking them in the least. In conclusion we will say that they fully fill the bill as represented to us before purchasing.
